G8. MOTION BY Dr. Spector SECONDED BY Mrs. Eaton
BE IT RESOLVED BY THE RIVER VALE BOARD OF EDUCATION that the Board, upon recommendation of the Superintendent of Schools, approves the following resolution:

WHEREAS, the health of New Jersey’s public employee retirement systems affects the state’s economy and its citizens’ quality of life, and impacts critical functions, ranging from the state’s ability to borrow to finance public works projects to its annual budget including state aid to education and, consequently, the operation of the public schools; and

WHEREAS, the New Jersey Pension and Health Benefits Study Commission, appointed by Governor Chris Christie in 2014, has issued its final report, “A Roadmap to Resolution,” which proposes monumental changes in how public employee benefits, particularly the Teachers’ Pension and Annuity Fund (TPAF) and the School Employees’ Health Benefits Program (SEHBP), are financed and administered; and

WHEREAS, the River Vale Board of Education believes that reform must balance the health of the state’s retiree benefits programs with local school boards’ responsibility to provide sound educational programming; and

WHEREAS, TPAF benefits are established by the state and not through local school board action; and

WHEREAS, post-retirement medical benefits are provided to TPAF retirees through state legislation, not local school board action; and

WHEREAS, the River Vale Board of Education believes that the TPAF and any new retirement program for certificated school district staff must be funded by the state government; and

WHEREAS, the River Vale Board of Education believes that transferring payment of the employer's contribution to the teacher retirement plan and post-retirement medical benefits from the state to local school districts would have a detrimental impact on the resources necessary to maintain educational programming; and

WHEREAS, to restore solvency to, and avert future default of, the state's retirement programs, the Pension and Benefits reform Act of 2011 (*P.L. 2011, c. 78*) includes a schedule of annual state payments designed to close the deficit of the plans that serve school district employees; and

WHEREAS, medical benefits for retired school employees, which will total over \$1 billion in 2015-2016, are a major cost-driver in the state budget; and

WHEREAS, the River Vale Board of Education supports the current statutorily required employee contributions toward health benefits, which reflect current practice in the private sector and in public employment in other states, and have provided significant financial relief for local school districts, thereby enabling them to direct resources toward educational programming, including teacher employment.

NOW, THEREFORE, BE IT RESOLVED that the River Vale Board of Education urges the state Legislature and Governor to ensure that the employers' cost for teacher pensions and post-retirement medical benefits—financial obligations created by the state—are not transferred to local school districts; and be it further

RESOLVED, that to provide further control over the cost of health benefits, the Legislature should give local boards of education unilateral authority to enroll in the School Employee Health Benefits Program if the board determines that such action would generate financial savings; and be it further

RESOLVED, that the River Vale Board of Education supports the goal of reducing the overall costs of public employee health and retirement benefits and urges the state Legislature and Governor to take a studied and comprehensive approach that will ensure the long-term solvency of the state's public employee retirement programs without unduly burdening local school district budgets and endangering educational programming; and be it further

RESOLVED, that this resolution be delivered to Governor Chris Christie, State Senate President Stephen M. Sweeney, Assembly Speaker Vincent Prieto; and the 39th

Legislative District’s representatives in the state Senate and General Assembly; and be it further

RESOLVED, that a copy of this resolution be sent to the New Jersey School Boards Association.

PUBLIC COMMENTS – General Items

THE RIVER VALE BOARD OF EDUCATION IS committed to encouraging the citizens of River Vale and employees of the River Vale School District to speak directly to board trustees. In order to facilitate this communication, residents and employees are requested (1) to sign in before speaking; (2) to maintain an appropriate sense of decorum; and (3) to limit their remarks to no more than five minutes. The Board will also take under advisement the written comments and opinions of non-residents that are submitted to the Board Secretary. Being mindful of its responsibility to maintain the orderly conduct of meetings, the board retains the right to rule on such matters as the speaker’s right to address the Board as well as the appropriateness of the subject being presented. The Board’s decision in such matters is final.

The Board also reminds all members of the public that while it subscribes, without reservation, to the principle of keeping the community informed, by policy and law, it cannot allow public discussion of personnel matters nor can trustees comment on any current or pending litigation. If a matter concerning an employee of the River Vale Public Schools is of interest or concern to a resident, the matter should be referred to the responsible building principal or the Superintendent of Schools by either telephone or letter.
