

2023-2024

Birthday Book Club!

Dear Parents,

Woodside School will continue our exciting book gift program in the fall! This program is designed to be a tremendous boost for our library as well as an extra birthday treat for our children.

If you would like to participate, you are asked to donate \$20-25 (per child) in your child's name for a book to be purchased for the Woodside Library Media Center. This pool of money will be used to buy a selection of books that will be held in the library. Children will be given one of these books on their special day. A bookplate with his or her name will be placed on the inside cover. Your child will be the first to bring this book home to read and share. Children with summer birthdays will be given their book on their "half birthday."

If you wish to participate in this very popular program, please fill out the back of this form. Please make checks payable to Woodside School. All children in your family should be listed on the same form. Thank you for helping enrich the resources available in our school library!

Sincerely,

Ms. Jillian Topolski
