

## PTA Lunch program 2019-2020

The Boonli Lunch ordering system will open for ordering on August 26th. Please be sure you are using this link-<https://rivervalepta.boonli.com/login> and going to the Rivervale Boonli page. To set up a new account the password is rivervale2, for existing users you will need to update your student(s) location.

The PTA lunch program only works because we have awesome volunteers who come in and help serve lunch. WE NEED help everyday and at EVERY school! If you can help (even if it's only 1 time or maybe it's every week or something in between) please head over to this [Volunteer Form](#) and fill out your info and we will be in touch. We also love grandparents, aunts, and uncles who want to volunteer.

The PTA lunch program is our biggest fundraiser. The money we raise from our lunch program goes directly back into your kids, teachers and schools. It funds teacher grants, assemblies, music programs, 1-1 technology, classroom programs, summer reading books, new playgrounds and equipment, library and media center updates and so much more!! Thank you so much for supporting the PTA, your kids and schools.

We will be offering 12 vendors this year with many new menu items. 7 of our vendors will be offered on a rotating schedule.. We will have seasonal items such as soup too. A note on allergies all of our items are nut free. Deliciously Alicia is certified gluten free, organic and non gmo and will be offered each day. If you have specific allergy concerns please contact the individual vendor.

Adam's Bagels (201) 497-5958
